NEW OFFICERS ELECTED

Donna Thompson and Ben Cooke

2007-2008 Officers

Our new year is off and running thanks to President Ben and a group of enthusiastic board members. ADG Donna Thompson installed our new officers; thanked us for a successful year under John Collins and encouraged us to continue the many positive things we are doing. She challenges us to find new members and new opportunities for service. Our officers have committed to lead and guide our club this coming Rotary year and I would ask that we, as members, help make their year go smoothly and do

everything we can to assist them. Let's all share in the work to be done and keep from falling into the 80/20 correlation - "80 percent of output is produced by 20 percent of input."

History Fact: *The 80:20 rule, or Pareto's Principle, was named after Vilfredo Pareto (1848-1923) who first discovered and described the phenomenon when researching and analyzing wealth and income distribution trends in nineteenth-century England.*

Amy Johnson	2010
Alton Gaither	2010

In addition, Dick Johnson will be serving as the Foundation Area Representative Area I on the District Level, and on the local level he is Chairman of the World Community Service Committee.

If I have missed anyone, please let me know so I can add it in the next newsletter.

GOLF TOURNAMENT AUGUST 28th - You don't have to be a golfer to participate

Come one, come all to this years exciting Rotary Golf Tournament to be held at the newly finished course at Cross Creek Country Club. Much work has gone into the redesign of the course. It looks great, and no matter what your game is, we will have a good time. This tournament is one of our premier Rotary events of the year. Proceeds help support the various philanthropic efforts the Mount Airy Rotary Club is engaged in. Your support can come in a variety of ways; as a player; hole sponsor; sponsorship of a team; recruiting

players; donating items for goodie bags and prizes; working the event to help get it setup, sell mulligans, check players in; drive the drink cart, etc.

WE NEED YOU!!

Message from President Ben

Ben Cooke

My fellow Rotarians, August is upon us. August for Rotary is Membership month. Each Rotary club strives for a membership that is a representation of its community interests. Rotary offers many benefits including: effecting change within our community, gaining an understanding and having an impact in international aid efforts, and developing relationships with leaders in our community and businesses. I challenge everyone to recruit new and energetic members to our club. If you know someone you think may be a good fit for Rotary, invite them to a meeting. Let us show them what Rotary is all about and that "Rotary Shares."

Perfect Attendance Awards

Our club has a number of members who have worked hard to keep 100% attendance, but two of our own stand out above all the rest and set the example for everyone else. CB Roberson has 54 years; and Jim Grimes has 44 years. Both of these distinguished members made a commitment to Rotary and have lived that commitment. Each has served our club in various capacities; President, Treasurer, Historian, Active Participant. We thank you

CB Roberson and Jim Grimes accepting their award from John Collins

CB and Jim, for outstanding service to the Mount Airy Rotary Club.

Fellowship Evening

It was an evening of laughter, fellowship and good food when we met at Old North State Winery's Scuppernongs' restaurant as we paid homage to John Collins for his successful year as President, and kicked off our new Rotary year with President Ben. We had about 45 folks who came. Many thanks to all of them, and for those who didn't, you really missed a good time.

July 4th Fireworks A Success In More Ways Than Just Bright Lights

The Mount Airy and the Surry Sunrise Rotary clubs sponsored the Mount Airy city fireworks on July 4th. These clubs have done this for several years as a gift to the community and to show their appreciation for the special meaning of this holiday which recognizes our national freedom and the cost in lives and effort of that freedom by our armed forces and veterans.

Jerry McMickle, Herbert Joyce, Ben Cooke and Tom Koch

They also collect donations from those "fireworks watchers" who park in select locations around the city and attend the events at the park. These donations support the local Yokefellow Ministries and Foothills Food Pantry which help local residents with temporary assistance of food, medications, utilities, etc. during times of need and the "Comrades in Distress" organization which allows veterans to help other veterans who need a helping hand.

This year the clubs collected over \$1,600.00 which resulted in a contribution to each organization of well over \$500.00 each. Both clubs want to recognize the generosity of our local residents who gave so generously to these worthwhile

local organizations and who came to enjoy the annual fireworks. Thank you to Mount Airy and the surrounding areas!

—Article by Richard Loftis, Surry Sunrise Rotary
Special thanks to our own David Adkisson and his team who worked hard on this project. Over 8,000 lbs of food was collected. Thank you Mount Airy Rotary.

Community Cares Day

On August 25 volunteers from the community will have an opportunity to offer assistance to the agencies who serve others. Our local agencies need our help in sprucing up their locations. Because time and funds are stretched to cover the needs of folks who require assistance, we can help the helpers by painting, planting, cleaning and perhaps doing some light construction work.

Breakfast will be served at 8:00 at Haymore Baptist Church. Work will begin at 9:00 and should be completed by 12:00. Won't you please come out and spend the morning in service to those who serve.
