LAURA WHARTON SPEAKS AT ROTARY

Laura Wharton, Executive Director of the Greater Mount Airy Area Habitat for Humanity was guest speaker at Rotary on January 18th. She presented many interesting facts about our local agency while giving away Habitat tee shirts to those in the audience who knew the answers to her questions. The local agency has been in existence here since 1993, placing 29 deserving families into decent, safe, affordable homes over the past 17 years. Their goal is to build three more homes by the end of their fiscal year in June 2011. One little known fact about Habitat is their tithing in countries overseas. Since the local agency began tithing in 1995, they have helped to build homes for 16 families in Armenia, Haiti, Madagascar and Sri Lanka. There are many ways that Rotary and other organizations can help, support and partner with this community-based agency. Call Laura at 336-789-4663 for further information.

EXCITING TIMES FOR FORMER ROTARIAN KENDRA CLABO

When Kendra Garaventa married Tyson Clabo she knew it wasn't going to be the usual married life. Tyson plays tackle for the Atlanta Falcons and they were going to adopt Tyson's niece and nephew – ages 3 and 4. It was a long and arduous adoption process, but Kendra and Tyson loved the children and knew they wanted to be their parents – and that became a reality on Mother's Day 2010.

More good news came when Tyson was chosen as an alternate to play in the Pro Bowl for the NFC and then actually got to play and be on the winning team.

Kendra, Alissa, Tyson and Ethan

We miss Kendra in Rotary, but being a mom is the most important career of all.

Ken and Kari

Careers got in the way though, and in 2006 they moved to San Francisco, this time for an opportunity for Kari. This proved to be instrumental since it resulted in a lot of time spent enjoying wine in Napa, Sonoma, and especially the Dry Creek Valley. They particularly enjoyed the small family owned wineries.

They got the chance to return to North Carolina in 2008, again for Kari's work, and jumped at the chance. Ken had already decided it was time to give up the corporate

Kari Heerdt and Ken Gulaian are the owners of Round Peak Vineyards. They met in Cincinnati in 1998 when both worked for General Electric. During a 16 year career with GE in the aircraft engine business, Ken held various roles in engineering, field service, sales, marketing, and management.

In 2000, Ken & Kari moved to Charlotte, NC for Ken's new opportunity with Ingersoll Rand, loved it, and decided North Carolina was where they would stay.

world to run his own business, and when they found out there was an opportunity to own a winery in North Carolina, they couldn't resist! After visiting, being impressed with the wines, and seeing the spectacular views of the Blue Ridge Mountains, they decided to take the challenge. They are committed to making the best possible wines, and hope everyone will come and experience Round Peak Vineyards, visit some of the numerous North Carolina Wineries, and check out all that the area has to offer!

Ken joined Rotary after being introduced to it by Tom Webb when Tom was taking Ken around to show him Mt. Airy and introduce him to the winery business. He's looking forward to continuing to get more involved!

Paul Harris Fellow

Congratulations to Dick Johnson for his continued support of the Rotary Foundation. Dick recently achieved the three sapphire pin level.

Donations to the Foundation go to support the many programs of Rotary, such as the project our club is working on. To date contributions from our club combined with 7 other clubs will reach the \$50,000.00 mark once approved and matched by the Foundation, which we believe will happen soon.

BLOOD DRIVE RESULTS

Amy Johnson spearheaded our blood drive and we collected 21 pints, up from the 18 that was our goal. Many thanks to all who gave.

Next blood drive will be March 29th
 so mark your calendars.
