MESSAGE FROM THE PRESIDENT

President, John Collins

It has been a pleasure serving as your Rotary Club President this year. Together we have completed many good Rotary projects both locally and internationally. I am especially proud of our sponsored youth clubs, the Mount

Airy High School Interact Club, the Surry Community College Roteract Club, and the Clean Water Well Projects.

With our help the youth clubs have reorganized into viable productive clubs, and a lot of people now have clean safe drinking water in their neighborhoods in Nigeria. Special thanks to all those who made this happen. There are so many club members, officers, board members and committee chairmen that have contributed so much time and extra funds this year that the list is too long to include. A big thank you to you all.——

Yours in Rotary service,

John Collins

MESSAGE FROM THE EDITOR

This has been an exciting year for our Rotary club, and I am so proud of the service projects that were completed; the winning of the Gold Club Award; the recognition of our Rotary newsletter; the many community activities we participate in; and the renewed spirit of our youth groups. Our members are giving of their time, talents, heart and money. John has done a fine job in leading our club; Teresa stepped in at a critical time when

Bonnie had to take leave; board members have taken their roles seriously; and it is a pleasure being a part of this fine club.

As we look to the end of the month when the gavel will pass to Ben Cooke, we thank John for his successful year of service and pledge our support to Ben as his new year begins.

ROTARY GOLF OUTING

Mark your calendars for August 28th. Anne Webb and Teresa Lewis have joined forces and that can mean only one thing – a fun filled; who knows what can happen; don't want to miss

it, Rotary Golf Tournament. We will be playing on the newly renovated Cross Creek Course. More details later.

NEW INTERACT CLUB CHARTERED

Cole Younger doesn't let the grass grow under his feet (is he related to Carol Burke). He met with Patsy Turner, President of Gates Early College of School and Design to charter a new Interact Club. Congratulations to the new club.

DISTRICT ASSEMBLY NOTES FROM KENDRA

Members recently attending District Assembly were Ben Cooke, Cathy Stevens, Kendra Garaventa and Bob Meinecke. The President of UNC-G was the speaker and did an outstanding job. The district chairs updated everyone on the upcoming year's budget, discussed new and improved methods for accessing and maintaining district and international websites, and they spoke on the upcoming district conference that will be held at Chateau Elan right outside of Atlanta, GA. It has a premiere golf course, as well as a world-class spa.

The district secretary has agreed to set up a training session for our officers sometime this summer to help us learn more about the website and its functionality. Bob and Ben attended the membership classes, where they shared ideas on how to attract and retain members!! They received ideas from the Clemmons Club and learned some ways to encourage members to remain involved in the club...we plan to implement some of these ideas in the upcoming year!

ROTARY SPONSORS STUDENTS

On Friday night, May 18th, the Mount Airy Museum of Regional History held the first annual Book and Author Dinner. The event featured two authors; New York Times best selling author David Baldacci whose latest book "Simple Genius" just went #1, and Martin Clark whose second book "Plain Heathen Mischief" has just come out. Judge Clark lives in Stuart, VA. His first book was "The Many Aspects of Mobile Home Living". The Mount Airy Rotary Club sponsored four students so they could attend the event.
