Area Schools Spread The Holiday Spirit

East Surry Chorus was the first group to share the Christmas Spirit with the Noon Club.

Mount Airy High School Chorus also gave a wonderful performance as Ms. Ray led the group as they sang holiday favorites.

Dream It - Do It Finding Your Career Path

Catrina Alexander explained how the Mount Airy School System is creating a career exploration culture. With the program they are giving students in middle school and high school an opportunity to make real world connections.

Students are taken on business tours within our community, work with Surry Community College, and are involved in a mentor program. All help students discover careers and what they may find enjoyable.

Exposure to career choices and how to access these jobs are the key to helping kids find their niche in life.

Food items would be most helpful in bulk but in small sizes so that items can be placed in backpacks. If you need clarification contact Lenise Lynch.
