Flight of Honor a Roaring Success

Respectfully submitted by Bob Meinecke, President and privileged guardian.

Veterans make their way to the terminal

At Reagan International airport we were greeted by the DC Symphony Brass and dozens of well wishers, and then loaded onto buses for the day long visit to the WW II, Vietnam, Korean, and Air Force Memorials as well as sight seeing of all the history of Washington DC. At the end of the tour we were again escorted by motorcycles back to Reagan for the flight home.

The inaugural Triad Flight of Honor was an amazing event. Local veterans, their guardians, Betty Lynn (Thelma Lou); a reporter from WXII and a group of Hogs (Harley motorcycle club members) arrived at the VFW Park in Mount Airy, at 4:30 am, Saturday October 3rd for the big day. Local veterans included our own Charles Dugger, Norman Webb, Jack Leach, Craig Burcham, Grover Haymore, Clifton Smith and Robert Thomas. The Hogs were lead by VFW member Donald McClusky. Our escort led the VFW bus to PTI, then we were off to Washington DC.

Upon arriving at PTI that evening, once again we were met by nearly a thousand well wishers, sharing their thanks to the veterans

Farewell to a Rotary Friend

We bid Brenda Goings adieu as she embarks on a teaching career at White Plains Elementary School. Brenda has been a very active and supportive member of our club and we are saddened her new schedule keeps her from remaining with Rotary. However, she takes the principles of the Rotary Four-Way Test with her and will use these as she works with the children in her care.

New Members

Welcome to three folks to Rotary, Cathy Eckenrod, Matthew Edwards and Vera Reynolds.

Cathy and her husband Skip live in Claudville, VA. They own two companies, Interlam, Inc., a leading manufacturer of Sculpted, Carved, Decorative and Ornamental wall panels, and Modular Wood Systems, Inc. Catherine and Skip travel extensively throughout the USA and the world.

Sue welcomes Cathy Eckenrod

An interesting tidbit: They are personal friends with the Rolling Stones and have flown to various locations to attend their concerts.

Matthew Edwards is the new Director of the Mount Airy Museum of Regional History. Matt was a Rotarian in Greenwood, SC. He and his wife Glenda have two daughters and a son and just about settled in their new home. Matt brings a lot of energy and some great ideas for the museum.

Matt Edwards

Vera Reynolds is not a stranger to us. Vera was a Rotarian with us before and has come back after a two year absence. She is a retired school teacher and an active member of our community and we welcome her back.

We look forward to these new members becoming active participants in the work of Rotary.

Rotary Foundation Matching Grant – Working to Fund Wells/Latrines in Uganda

Above, Dr. Acaya – Gulu Rotary Club President
Right, Carol Burke dancing with St. Bakhita students

From the site visit to Gulu, Uganda in May, Marion Goldwasser and Carol Burke identified the need for latrines at St. Bakhita Nursery and for a well at Gulu University. The grant application process has been completed and is in the hands of Stephen Copek, a Rotarian in Kampala, Uganda. Marion is familiar with the people in Uganda, as she lived there and taught English as a Peace Corp

worker from 1965 to 1969. Marion has returned to Gulu three times since her retirement from the English Department at Mt. Airy High School. She plans to return in May, 2010 to continue the work she is doing there, and hopefully see the completed work funded by the matching grants program of Rotary. She would be happy to be joined by other Rotarians.

Holiday Season Reminder

As we approach the holidays and with that the spending that goes along with it, please remember the businesses that are represented in our club. If you can spend your dollars locally it will help not only our club members, but our community as a whole.

For those who make charitable donations this time of year please remember the many organizations within our community that need support. Donations of money are always needed, but food and decent clothing are also high on the priority list. Giving blood; volunteering your time; assisting someone who needs help; all of these things are a part of what makes us humanitarians. Humanitarian – a person devoted to promoting the welfare of humanity, esp. through the elimination of pain and suffering.

George Summerlin
Will Be Missed

On October 17 George Summerlin passed away. George was a former member of our club before moving to the coast a few years ago. He was the editor of the Mount Airy News for many years and was an active member of the community. Our condolences go out to his wife, Patti. A memorial service was held on November 1 at Grace Moravian Church.

ROTARY YOUTH EXCHANGE – A life changing opportunity

Robert Newton is our District 7690 youth services coordinator. He would like to extend the opportunity for local students to be a part of the exchange program. He is also encouraging us to consider hosting an inbound student. For details and

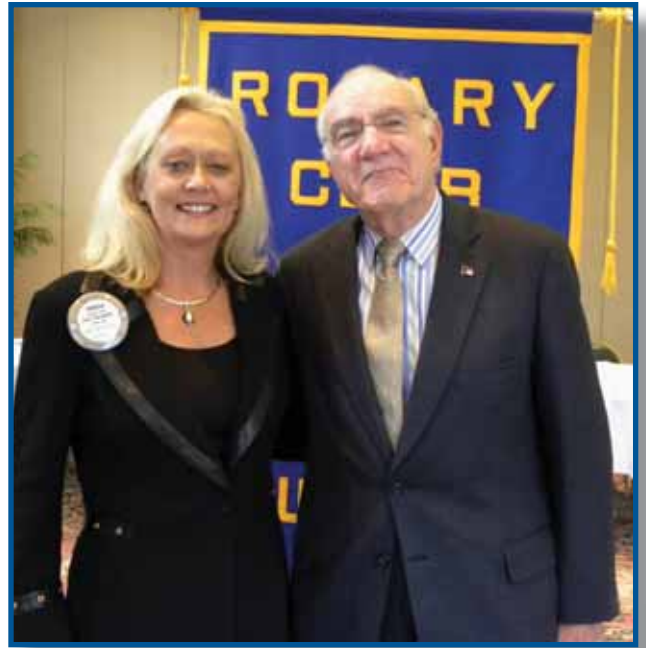

deadlines please visit www.rotary7690.org and click the tab for Youth Services. I know we have some outstanding students in our area that could benefit from such a cultural experience. Contact Robert Newton for additional details. bob.newton05@yahoo.com.

Bernie Mann

– Our State Magazine

If you have never read Our State Magazine you are missing out on a treat. After buying several radio stations; bringing them up to profitability and then selling them, Bernie Mann was presented with an opportunity. In 1995 he was asked to join in a partnership to buy the North Carolina magazine, The State, but being a silent partner was not to his liking so it was another year before the opportunity of purchasing the magazine outright came into play.

Under his leadership the magazine went from a black and white feature to full color with exciting articles about North Carolina penned by talented writers and photographs depicting beauty and places of interests by photographers of equal talent. The number of subscribers has soared from 23,000 to more than 150,000. According to Mr. Mann his philosophy has always been to keep it positive. With so much in the world that is ugly, depressing, or just negative, Our State Magazine is an oasis for your soul. Thank you!

District Governor Selected

Hearty congratulations are in order for Rick Snider of the Lexington Rotary Club. He has been selected to serve as our District Governor for the 2012-2013 Rotary year. This is honor for Rick and his wife Linda and we wish them well as he prepares for his role and for Linda as she prepares to serve by his side. Rick can be reached at RickSnider@Rotary7690.org.

*Members in front row left to right in the picture are:
Alex Mayo, Greg Myers, Taylor King, Margaret Slate, Morgan Greenwood, Maddie Gardner, and Katie Bowman.
Back row: Elizabeth Dinkins, Abby Bledsoe, Rachel Harris, Jillian Epperson, Elly Bledsoe, McKenzie Culler,

Jillian Epperson did a wonderful job organizing the pinning ceremony for the Interact-Venture Club on Friday, October 23 at Mount Airy High School. Rotarians attending were President Bob Meinecke, Dick Johnson, Carol Burke and Amy Johnson. Following the ceremony everyone was treated to a nice breakfast which all enjoyed. Representatives from The Mount Airy News and The Messenger were in attendance and Mr. Dorsett, the Assistant Principal, said the ceremony could be posted on the high school web site.

These students are committed to the service of others and are highly motivated to make a difference. These are our future Rotary members and we applaud their willingness to become involved in their community.

Happiness depends upon ourselves
